

## EASTERN STAR ORGANIZED

On Monday evening, February 2, 1959, a very impressive ceremony took place in the new school when Mr. Clyde C. Coe of Lethbridge, instituted a Chapter of the Order of the Eastern Star. 134 members were present, many travelling from distant points.

The Officers from Hardisty Chapter, assisted by the officers of Nina Chapter, Viking, and Connaught Chapter, Wainwright, exemplified the work of the Order for the benefit of the new members in a dignified and very impressive manner. Many lovely gifts were presented to this new Chapter with good wishes of the neighboring chapters.

Mr. and Mrs. Louis Anderson were also presented with gifts from Windsor Chapter, Leduc, for their services while resident there. Mr. Anderson was also presented with his Past Patron's certificate and jewel in token of his year as Worthy Patron of Windsor Chapter.

The tables in the basement of the church were beautifully decorated for the sumptuous banquet which was served to over a hundred guests. Many brought greetings and good wishes for the new Chapter.

The Worthy Grand Patron was assisted by several Grand Officers who journeyed to be with him. Among these were: Mrs. Helen P. McGhee, Grand Secretary of Calgary; Mrs. Laura Bird, Grand Conductress; Mrs. Amy Drever, Member of the Board; Mrs. Irene Henderson, all of Calgary; Mrs. Edna MacVicar of Edmonton; Mrs. Frances Miller, Grand Treasurer of Lethbridge; Mrs. Meryl A. McIntyre of Champlain; Mrs. Bradbury and Mrs. Peter Wylie of Leduc. Twenty-nine names were on the Charter and the Chapter will be known as Martha Chapter at Irma.

Mrs. Nellie Scott, Worthy Patron; Mrs. Louis Anderson, Worthy Patron; Mrs. Margaret Smallwood, Secretary.

## Weekly Inspirational Corner

(Sponsored by an Irma Times reader)

Then said Jesus unto His disciples, If any man will come after me, let him deny himself, and take up his cross, and follow me.

For whosoever will save his life shall lose it; and whosoever will lose his life for my sake shall find it.

For what is a man profited, if he shall gain the whole world, and lose his own soul? or what shall a man give in exchange for his soul?

For the Son of man shall come in the glory of His Father with His angels; and then He shall reward every man according to his works. —Matt. 16:24-27.

### MANGE IN HOGS:

Over 7500 hogs were rejected at livestock auction markets by veterinary inspectors in 1958. Of these 20 per cent were rejected because of mange. Mange is caused by a small mite which burrows into the skin. It is spread by contact as a rule but may be spread by bedding, rubbing posts, etc. First symptoms are excessive rubbing, then reddened areas appear on the skin. These areas eventually darken, thicken and become scabby. This problem is worse in the winter because the pigs are inside. Severe cases of mange result in unthriftiness and stunting, often delaying pigs 4 to 6 weeks before they go to market. There are several effective chemicals on the market, among them Lindane and Malathion, which can be used for control. These should be used according to instructions. Cleaning and disinfecting of pens should also be carried out.

### FARMERS BEWARE!

Every year we hear of salesmen who are selling some new variety of grain or livestock or some other new product. The usual sales talk is that this item is new and in short supply but they are willing to sell you just so much at a price. Of course they intimate that you are going to make a lot of money by getting in on a good floor. In most cases the salesmen do very well but the purchaser finds that there are complications he never thought of and may even lose his investment instead of making it. Before you buy, investigate before you buy and keep in mind that the really good product doesn't have to be sold door to door.

### MEMORANDUM

Did you remember to check your machinery for broken and worn parts before it was put away for winter. If you did, you get the parts and put them on? There will be some nice weather before time to go on the land and if your machinery needs some new parts or other repair it should be done during the good weather before time to get out on the land.

## Glen-Coa Gleanings

Sharon Luther League had a very successful skating party last Saturday evening. The group gathered at Don Creasy's home afterwards for hot dogs, cake and ice cream, the latter Don's special treat. While the moon was bright a tobogganing party was held at Fluevogs on Tuesday night of this week.

Miss Lily MacKay has been spending her holidays at Wynne and at her home here. We understand she has until March 1st before resuming her duties at the Royal Alex.

Special congratulations this week go to Mr. Sigmund Gulbraa who was married on Monday of this week to Miss Lorraine Strauss of Wainwright. The best of good wishes from all the district to this young couple.

A large number of Sharon folk motored to Viking on Sunday afternoon to attend the commissioning service for Rev. and Mrs. Roy Hefso. The church was overflowing, a loudspeaker having been set up in the basement also. The prayers and good wishes of all their friends will continue to follow them as they leave for their new field of service in far-away Pakistan. Friends were there from Edmonton, Camrose, Tofield, Ryley, Strome, Cadogan, Irma, as well as Mr. Gordon Hefso from North Hollywood, California. (Gordon said he found the temperatures very different, but he considered ours most refreshing.)

Mr. and Mrs. Carl Gulbraa spent Tuesday in the city to attend the Hereford Brothers Banquet. Lorraine and Harold stayed with their grandparents, Mr. and Mrs. Joe Gulbraa.

Mr. Alfred Larson of Vancouver is spending his holidays at the home of his mother and Mr. and Mrs. P. Spring.

## United Church W.M.S. Meet in Lloydminster

The members of the Women's Missionary Society of the United Church met in Lloydminster United Church recently for their annual meeting. Mrs. A. Knapp of Cold Lake presided. Mrs. R. F. Berry of Calgary, president of Alberta Conference Branch of the W.M.S., was guest speaker.

The meeting opened with worship service and Bible study conducted by Miss H. Campbell, W.M.S. worker at Cold Lake. She spoke on the text "Ye are the salt of the earth," and reminded her audience of the good qualities that salt should have. It was also pointed out that church people as the lay ministry, were a peculiar people, called to take a definite and decisive stand on moral issues.

The secretary, Mrs. W. Morgan of Ashmont, showed in her report that there are 10 auxiliaries, 1 federation, and 12 affiliated societies in the presbytery. The treasurer's report, given by Mrs. H. D. Bugar, Vegreville, showed that the presbytery exceeded its allocation of \$2611 by \$84. Mrs. C. Barr of Vermilion gave the Christian Stewardship report. It was decided that the \$84 should be sent to the new W.M.S. hospital at Cold Lake. Many excellent reports were presented by other portfolio secretaries.

Concluding the morning session were two solemn and reverent services. These were the In Memoriam Service, conducted by Mrs. R. Smith and Mrs. K. Duchome of Lloydminster, and the Communion Service, conducted by Rev. R. Smith.

During the luncheon hour, greetings were brought from St. Paul United Presbytery by Rev. I. Holter of Mannville, and from the Rev. W. W. by Mrs. L. Graham of Lloydminster. A film on life in Africa was shown.

### In the afternoon an organ recital was played by Mrs. W. L. Roebuck, Vermilion.

Mrs. R. F. Berry talked about various phases of W.M.S. work. She mentioned that St. Paul Presbytery receives much from the W.M.S. as in this presbytery there are two hospitals, boarding homes, owned, operated, and staffed by the W.M.S. There are also W.M.S. workers serving the communities of Bonnyville, Cold Lake, and Virdia. However, the stressed that Overseas Mission work is just as important as Home Mission Work. She cited the case of Dr. Helen Kim, an outstanding educator, and principal of Ewha University in Korea. Dr. Kim owes her education to Overseas missionaries, who converted her parents. Mrs. Berry told about the beautiful articles that Korean women make out of old nylons.

### The following officers were elected and installed:

Past President, Mrs. W. Nicholson, Vegreville; President, Mrs. A. Knapp, Cold Lake; Vice-Presidents: Mrs. L. Mitchell, Wainwright; Mrs. J. L. Hay, Ryley; Mrs. W. L. Roebuck, Vermilion; Mrs. W. Morgan, Ashmont.

Recording Secretary, Mrs. W. Nicholson, Vegreville; Corresponding Secretary, Miss E. Meaden, Cold Lake; Treasurer, Mrs. C. R. Alderson, Wainwright; Secretary for Christian Stewardship, Mrs. A. Verney, Grand Centre; Secretary for Mission Circles, Mrs. L. Mitchell, Wainwright; Secretary for Aff. CGIF, Mrs. R. Smith, Lloydminster; Secretary for Aff. Explorers, Mrs. P. Okerstrom, Lloydminster; Secretary for Mission Bands, Mrs. R. L. Simmerman, Irma.

Secretary for Baby Bands, John Zeigler, Vegreville; Associate Members Secretary, Mrs. C. L. Currie, Irma; Candidate Secretary, Mrs. W. A. Headrick, Vegreville; Secretary for Christian Citizenship, Mrs. J. C. Campbell, Vegreville; Communion Friendship Secretary, Mrs. A. H. Sweet, Islay; Literature Secretary, Mrs. W. Morgan, Ashmont; Missionary Monthly & World Friends Secretary, Mrs. G. Rhyen, Cold Lake; Press Secretary, Mrs. J. A. Hamilton, Wainwright; Supply Secretary, Mrs. J. Hardie, Vermilion.

Delegates were chosen to go to Alberta Conference Branch in March. Thanks are due to the

## Wins Awards in Meat Competitions

Larry Meier of the Irma Food Market attended the Alberta Locker Association Convention held at the Macdonald Hotel, Edmonton on February 23rd.

Again he has won two first prizes. This time the awards were first for Smoked Side Bacon and first for Tenderized Smoked Ham.

Larry took two first last year and again holds the same record. During the past six years he has won 11 awards in this province-wide competition — almost an average of two per year. Congratulations, Larry!

## Shower Held for Miss M. Smallwood

On Wednesday evening, Feb. 18th, a large number of Irma and district friends gathered in the basement of the United Church to honor Miss Marian Smallwood, bride of last Saturday.

The room was decorated with pink and white wedding bells and streamers. Marian was brought to the church by Mrs. R. A. McFarland and was led to the altar by her mother, Mrs. C. S. Smallwood and two aunts, Mrs. M. M. Tripp and Mrs. H. McKay, were seated with her, as was the bridegroom's mother, Mrs. G. Fischer, his grandmother, Mrs. A. A. Fischer.

Mrs. Erling Nilson was mistress of ceremonies and a most enjoyable program was soon underway.

Albert Glasgow sang a solo. Beth Milne played a piano solo. Mrs. J. C. McLean gave a recitation and two jolly contests were enjoyed.

A song composed by Mrs. C. Anquist was sung by all the guests. Mrs. C. Anquist and Lynne Milne pulled in a wagon on which was a barn-full of presents. There was also a cow on the wagon while each of the little girls carried a milk pail full of gifts.

Marian was then invited to open these and also all the interesting packages on the long table. In this she was assisted by Carol Smallwood and Carol Fischer. A bountiful collection of lovely presents was brought to light and Marian warmly thanked all her friends. Then the hostesses, Mrs. C. Anquist, E. Prosser, W. Dunbar, N. McMillan, E. Nilson, W. Inklin, R. McRoberts, C. Barber, E. Tomlinson, N. Fahner, C. Anquist, K. Desjardins, W. Daniels, C. Milne and F. Johnston served a delicious lunch.

## NORTH EAST CORNER

Master Kenny Firkus spent a week visiting with his aunt and uncle, Mr. and Mrs. Mac Belton at Jarow.

Miss Regine Van Hylte is home with scarlet fever. We hope you will soon be well Regine and able to resume your teaching duties.

Mrs. Archie Cook took part in the ladies' bouspiet at Wainwright last week and came home with a prize.

Mrs. Debbie and Master Billy Lawson are visiting with Mr. and Mrs. Jack MacKay. No doubt Debbie and Billy will be getting well acquainted with their new little cousin.

Mr. and Mrs. Clifford Firkus and children attended a family gathering at Kinsella Sunday. This was to mark Mr. and Mrs. Belton's wedding anniversary.

Mr. and Mrs. Anton Grymalowski and family have moved in to Wainwright where Mr. Grymalowski will be in charge of the Servicemen's Center. He will also conduct services of the Avondale Gospel Mission.

Mr. and Mrs. Houcher of Amisk have moved to the Frank Ford Jr. farm where Mr. Houcher is employed.

This lovely spring-like weather almost makes us forget some of the earlier winter.

ladies of Grace United Church, Lloydminster, who served the meals.

## Irma Seniors Win Their First Play-off Game

On Monday night the Irma boys hosted Chauvin in the first game of the final playoffs and came out on top with a 9 to 3 win. Both teams played a fast game in the first period with R. Lovig getting the first goal of the night. Minutes later R. Frickeleton trapped a bad clearing pass to fire the puck past the Irma goalie to tie the game. With both teams making some good rushes, R. Lovig connected again to give the local boys the lead once more. One minute later Ganie put A. Glasgow in the clear and he made no mistake to give Irma a three to one lead as the period ended.

The second period saw Chauvin tie the game in the early minutes. Play started to get somewhat rougher with R. Frickeleton getting 2 minutes for roughing and a 10 minute penalty for arguing with the referee. This seemed to take the steam out of the Chauvin team as Irma scored four unanswered goals with A. Glasgow getting his second, R. Lovig his third, G. Lovig his first and B. Patterson his other, as the period ended 7-3 in favor of Irma.

Both teams started to hand out some stiff body-checks as the third period carried on. Neither team could score till the 10 min. mark when Brian Patterson got his second goal of the night. Play got a little out of hand with J.

Ganie and D. Dallyn getting 5 minute penalties and C. Spornitz and J. Clifford for high-sticking each other.

While both teams were playing short handed, R. Lovig finished out the scoring by picking up his fourth goal of the night on a nice play to step around the defence and break in the clear.

With less than 1 minute remaining, another fight broke out between R. Prior and H. Legroix with both players receiving five minutes as the game ended.

On Feb. 20, the Irma Seniors travelled to Czar to play in a 4-team tournament and came home the victors. In the first game, Irma was drawn against Veteran. This was a real, hard fought game which went into 10 minutes of overtime with R. Lovig finally firing home the winner. Ron also had two other goals to lead the Irma attack. The other goal-getters for Irma were B. Fischer with 2, G. Lovig and A. Glasgow with one each to give the 7-4 win for Irma.

The Irma boys played Czar in the final game with Czar having won their first game against Cadogan. In this game the Irma team had to re-arrange their lineup because R. Lovig, B. Fischer, R. Prior had to return home. Young Lyle Reed dressed for this game. With six defence dressed, Ganie moved up to centre between G. Lovig and S. Archibald and he showed he can get the goals by firing home 4. Brian Patterson moved up to play on a line with Albert and Richard Glasgow and picked up 3 goals. G. Lovig netted 2 and A. Glasgow and R. Glasgow 1 each.

The Czar team had some good chances to score but could not finish around the net with Miller making some good stops. Czar managed to pick up only 3 goals while Irma were got through for 11. Final score 11 to 3 in favor of Irma.

## Another gas well brought in

Kerr McGee Oil Industries has completed another successful gas well on the Russell Heenan farm north of Sylvan Lake. The well is 1 1/2 miles southeast of their previous successful well.

Tests indicate a rate of flow up to 1,400,000 cubic feet of gas daily. The well was drilled to 6,777 feet and plugged back to 6,747 feet.

Cambridge Drilling Company drilled the well.—The News, Sylvan Lake, Alta.

## Regina places fourth in National Fire Prevention contest

Regina has been recognized as one of the most fire-prevention-conscious cities in Canada, placing fourth in the national rankings out of 578 communities participating in the nation-wide 1958 Fire Prevention Week contest. Announcement of contest results was made by Hon. C. J. Williams, Minister of Labour, and Minister in charge of the Fire Prevention Act.

The contest was sponsored in conjunction with Fire Prevention Week, held last fall by the Fire Prevention and Clean-up campaign committee of the National Fire Protection Association. Awards were presented on the basis of originality and variety of campaigns conducted by Canadian communities during Fire Prevention Week.

Regina also placed second in the Class B section of the Canadian Municipal division, comprising cities of 25,000 to 99,000 population.

In the community rankings by province, the Saskatchewan winners were: Population of 25,000 to 99,000, Regina; population of 10,000 to 24,000, Swift Current; population of 5,000 to 9,900, North Battleford, with Weyburn placing

second and Lloydminster placing third; population of 2,500 to 4,900, Humboldt, with Kindersley placing second; population of under 2,500, Davidson, with Radville placing second.

"Saskatchewan's fine showing in this nation-wide contest serves to show that our citizens are constantly alert to the danger of fire, and know the value of fire protection and prevention programs," said Mr. Williams in commenting on the awards.

He further noted that, in announcing the awards, Deuel Richardson, Secretary of the Fire Prevention and Clean-up campaign committee had spoken highly of the excellence of Saskatchewan contest entries.

Judges for the international contest were, Leslie Ham, Chief Council, Canadian Underwriters Association, Montreal, Quebec; Reynolds Malmquist, President of International Association of Fire Chiefs, Minneapolis, Minnesota; Alexander Addie, Superintendent of Insurance, Price Brothers and Company Limited, Quebec City, Quebec; J. Sharp Quener, Director of Safety and Fire Protection, E. I. Dupont de Nemours and Company, Wilmington, Delaware; Bruce Black, Chairman of Board, Liberty Mutual Insurance Company, Boston, Massachusetts.

## "FALSE FEMALE REASONING"

We women sometimes deserve to be called illogical in my opinion, a prime example of false female reasoning is contained in a recent issue of the Canadian Association of Consumer's "Bulletin."

As an interested member of this organization, which aims to be the voice of the consumer, I strenuously object to its proposals regarding modern cars.

Protesting against car makers' claims that they are producing what women want, the "Bulletin" presents an excellent case against today's costly, flamboyant styling and lack of functional and safety features.

I agree wholeheartedly that new cars are too long, too low, too powerful, too expensive and dangerous and will fill out my CAC Questionnaire to that effect.

However, I do not agree with the CAC proposal that "the government should take direct action to protect the individual from the whim of car designers." I think this too familiar suggestion is nonsensical!

Everytime we, like silly children, ask the government to "do something" we are surrendering another piece of our freedom. Government controls too many aspects of daily living now.

I don't want a government to tell me what kind of car I can buy any more than I want it to tell me what kind of clothes to wear, food to eat, or where I can live, work or travel. Governments do all these things in countries where individuals have fallen for the false security of control.

The CAC seems to be forgetting its most effective weapon. Organized protests and pressures have already effected many changes. Consumer preferences are just as important to car makers as they

## RADIO AND TELEVISION REPAIR CLASS STUDIES

A new achievement was marked by the Department of Labor on February 9, when the first class of ten students reported for eight weeks training in the radio and television repair trade, Hon. C. C. Williams said. Much work has gone into preparation of the class, conducted by the Apprenticeship Branch and when the students reported on Monday morning, they found a shop-classroom well equipped with the latest radio and television repair equipment, he said. Training is available to persons now engaged in the radio and television repair trade. Persons working at the trade who feel they could benefit from further training, should immediately contact with the Apprenticeship Branch.

The class got off to a very good start, Mr. Williams said. By the end of the first day students had registered, located living accommodation, and been given a test which evaluated their present knowledge of the trade. Although

are to meet packers, food processors or appliance makers, and others who have previously bowed to CAC protests.

## SALES TAX

Since 1949 the revenue collected by the federal government through sales tax on Canadian-manufactured goods has increased from \$290 million to over \$700 million.

The first training group is for the beginners in the trade, it is designed so that even the apprentice with considerable experience will find he has plenty to learn. Mr. Williams said that applications were coming in so fast that another course is planned as soon as this one has terminated. He pointed out that this is only the first of three training periods, and that the students now being trained will be recalled for a six-week training period for each of the two following winters, at the end of which time they will write their journeyman's examination.
